Denise Leffingwell, MSW, LCSW, has over 13 years experience in social work. She will present this class, which highlights:

- Becoming part of a team that supports family stability and prevents disruptions
- Positive approaches that will head-off issues before they become crises
- Concrete skills and behaviors for managing challenging behaviors
- The unique needs of children who have been adopted, or are in kinship or foster care
- Tools that will help you successfully work with families and their children
- Ideas for creating and sustaining group respite care programs
- Self care tips

Participants should bring their own lunch and snacks.

Childcare will not be provided; please plan accordingly.

The Colorado Post-Adoption Resource Center is funded through the Promoting Safe and Stable Families Program, Colorado Department of Human Services, Division of Child Welfare, in partnership with The Adoption Exchange.

See www.adoptex.org for details.
