

Christ Community Church Partnership Journey Partnership Covenant & Application for Partnership

Trusting in Christ alone as my Savior from sin, and being supportive of the Statement of Faith, Core Values, Constitution, and ministry directions presented in the Partnership Journey, I choose to unite with the Christ Community Church family as a Partner in the ministry of the gospel. In so doing, I covenant to journey together in community with others pursuing ...

Authenticity

- Honestly evaluating and investing in my relationship with God as prompted by the Holy Spirit.
- Admitting the depth of my brokenness and ongoing need of Christ as my Savior.
- Modeling transparency, integrity and mercy in my personal relationships.
- Sharing my heart and life with others, actively pursuing peace when conflicts arise.

Christ-absorption

- Seeking Christ first and foremost in every area of my life through the enabling of the Holy Spirit.
- Learning from others how to love Christ more deeply and embrace Him more fully.
- Trusting Christ, and resting in Him as my source of sufficiency, satisfaction, and identity.
- Allowing God's Word, the Bible, to become increasingly more integral to my faith development and life decisions.
- Joyfully investing the gifts and resources God has entrusted to me for Kingdom-building ministry at Christ Community and beyond.
- Cooperating with the Elders and leaders of Christ Community set apart to oversee and direct the work of the ministry.

Compassion

- Allowing the Holy Spirit to soften my heart and develop in me an unconditional love for people.
- Seeing my sphere of influence as a context for mission in living out and verbalizing the message of the gospel in community with others.
- Showing good deeds and creating good will as precursors to sharing the good news with people in need of an authentic relationship with Christ.
- Looking beyond my immediate context to places where Christ may seek to impact the world through me.
